Saints & Sojourners,

Welcome to the first edition of Truth for the Soul Newsletter. We have been traveling this journey together since March of 2019 and what we have discovered is that the entire mainstream “news” media (MSM) has been infiltrated and corrupted; NOTHING that we believe can be trusted. We are at war with China. Enter...Truth for the Soul.

It is my intention to continue to scan alt-media sources in order to advocate for a more realistic ‘narrative for our lives.’ I announce my partisanship up front as a Christian that believes God has spoken to me (us) through the Holy Scriptures and my lovely wife and I attempt to live according to these Scriptures; though the final product is imperfect. Most of what you will be finding here is identical to our past 20 months together; a title; article quotes; a link to the article and an illustrative photo. I will post each new edition on my Facebook page where we can continue dialogue, questions and answers. You will always be able to find the new and old editions at www.truthforthesoul.com. The main links are located under the masthead.

Aww...how cute:

YouTube, Facebook, Twitter and Paypal wanna "protect" us from "terrorists" who might gain "inspiration" from "hateful" posts on their platforms.

While they work to economically TERRORIZE innocent people who object to their narrative.

You still buying this BS?

Many conservative influencers have even been banned in the purge, without any notice being given.

No accounts were in violation of Instagram's Terms of Service.
