Whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God. - John 3:21

A World of Hurt

February 24th, 2021

I am Chaplain Rob Sugg, a retired USAF chaplain and paramedic. I am an academic with two Masters Degrees and a lifetime focus on research and ethical issues. I am a peer-reviewed author published in Air University's, Air & Space Power Journal. You may find my biography here: <https://www.linkedin.com/in/chaplainrobsugg>

Since early 2019 I have been a full-time researcher and journalist on what I believe to be Marxist/Communist operations within our federal, state and local governments. This includes our US Military. I offer these facts for your consideration.

Are you aware:

1. The Chinese Communist Party (CCP) used the same Wuhan Lab for COVID-19 research and biological warfare agents. Upon release of the virus, the CCP blocked all Wuhan air traffic to the nation's interior while at the same time allowing air traffic to depart for the free world. Our mainstream media lied and misdirected.

<https://economictimes.indiatimes.com/blogs/Whathappensif/how-china-locked-down-internally-for-covid-19-but-pushed-foreign-travel/>

2. The World Health Organization (WHO) is controlled by the CCP. The WHO lied about their knowledge of the virus and has yet to accomplish a clear and convincing investigation of the Wuhan lab in which the virus is assumed to have originated. A number of Wuhan physicians, medical personnel and journalists have been "Disappeared". Our mainstream media lied and misdirected.

<https://thefederalist.com/2020/03/31/as-long-as-communist-china-controls-the-world-health-organization-its-completely-unreliable/>

3. The Trump administration responded to the virus in a war posture. Two aircraft carrier groups made a show of force off the China coast. A major push to clean out Chinese spies from American

universities followed the virus release, and Secretary of State Pompeo made it abundantly clear that China is our primary enemy. Our mainstream media continues to lie and misdirect.

4. In conjunction with broadcasts from the mainstream media, Dr. Fauci and the Centers for Disease Control (CDC) knowingly took their virus protocol “recommendations” from the CCP-controlled WHO. Protocols for determining infection rates were changed without scientific merit. Protocols for public masking were established without scientific merit. Protocols for social distancing were established without scientific merit. Protocols for shutting down public activity, schools and businesses were established without scientific merit. The mainstream media continues to lie and misdirect, and is complicit in creating and amplifying terror.

5. There is *much* evidence publicly available to demonstrate that our 2020 election was *overwhelmingly* fraudulent. Mail-In ballots were criminally used by the hundreds of thousands. Electronic election fraud was accomplished by the millions. In the dead of night, five swing states simultaneously halted their counting with Trump well in the lead. After the counting was stopped and observers were sent home, the five states continued “counting”. Biden led every state by morning. Our mainstream media continues to lie and misdirect.

6. Voting machines in 27 states were built from the ground up to be exploited. There is evidence that they were connected to the internet and that several foreign nations, including China, changed millions of votes in real time. Our mainstream media lied and misdirected. Our mainstream media continues to lie and misdirect.

7. The Gates-Fauci vaccine is not a vaccine. It is the first public trial of a coded mRNA injection that may alter the recipient's DNA. The mRNA sequencing is proprietary, meaning only the most senior corporate executives and most senior corporate scientists know what it is actually designed to do. Bill Gates and the corporate elite are effectively saying "Trust me". It is the clear expression of Gates/WHO/CCP that everyone *must* receive the vaccine along with a digital tracking number. Without it no one will be allowed in public spaces or freedom to move about..world-wide. The mainstream media are complicit in terrorizing the world into begging for this. This vaccine is also being distributed to every military member in the free world, and our mainstream media continues to lie and misdirect.

8. Two cheap and plentifully available medications greatly reduce the effects of Covid-19 when used early in treatment; Hydroxychloroquine and Ivermectin. From the very beginning of the pandemic these medications have been blacklisted. For the first time, ever, our physicians have been forbidden to prescribe "off label" at risk of having their licenses revoked. The very mention of Hydroxychloroquine or Ivermectin on social media would guarantee an immediately block or deplatform. Our mainstream media continues to lie and misdirect.

9. Big Tech (Twitter, Facebook, Youtube, etc.) has been on a daily search and destroy mission, blocking and deplatforming any of the 75 million conservatives who report anything but a Marxist narrative. If you are Center-Left, you don't know about it. Big-Tech simultaneously deplatformed the President of the United States from *all* social media platforms on the same day, while our mainstream media lies and misdirects.

10. On Inauguration Day, the mainstream media presented a prerecorded ceremony as if it were live. Biden was refused military aircraft to transport him to the ceremony. Biden was apparently refused high level military honors. Biden's advance team was refused access to military intelligence and access to the Pentagon. Kamala Harris has not been given access to the Vice President's mansion on military property. Our Defense Intelligence Agency and the Joint Chiefs must know the real story. Our mainstream media continues to lie and misdirect.

11. On the 6th of December, hundreds of thousands of peaceful conservatives descended on Washington, DC to peacefully protest the rigged elections. A collaboration of Capitol Police, ANTIFA, BLM and radical fringe groups participated in a pre-planned “false-flag” attack on the Capitol in order to blame “Trumpers”. The New York Times printed a fake story that a Capitol police officer was killed by Trumpers with a fire extinguisher, and then retracted the story the day following the completion of the Impeachment. Our mainstream media continues to lie and misdirect.

12. There is ample public evidence that many of the world’s Elite and underage children mingled with child traffickers Jeffrey Epstein and Ghislaine Maxwell on the tiny Epstein Island on which Epstein is reported to have installed a video blackmail system. Bill Clinton traveled there at least 13 times, several without his Secret Service detail. Without exception, every big corporate (mainstream) media outlet continues to provide misdirection and blackout of any discussion. Flight logs exist of many Hollywood A-Listers, corporate business people and politicians traveling to and from this island. No mainstream media corporation has published these lists or will allow investigations. There is the name of John Roberts on an Epstein flight log. Is this SCOTUS John Roberts? We don’t know. The mainstream media won’t tell us. Immediately prior to Jeffrey Epstein’s arrest, he had the island’s underground infrastructure filled with millions of dollars in cement.

Every preceding statement represents documented, publicly available facts and thousands of hours of research. Anyone who is willing to spend few hours on a good search engine will confirm these. During a search, the researcher must also be willing to dismiss mainstream media and “fact checker” disinformation; literally thousands of articles with the brands CNN, MSNBC, FOX, NPR, ABC, CBS, NBC, NY Times, Politico, Daily Beast, Salon, etc. In most cases disinformation can be recognized by headlines that include the terms: “Not Proven”, “Baseless”, “Debunked”, “No Evidence”, “Hoax”, “Myth”, and of course, “Conspiracy Theory”. Simply enter these terms into a news browser and see what pops up. Surprised? Try it: <https://duckduckgo.com/news?ia=web>

Where are the mainstream media’s investigative reporters? What happened to their journalists? Where’s Geraldo? Where are the honest interviews of the ‘other side’. Why have the Facebook and Twitter accounts of all contrarian views been taken down? Why is everyone with a contrarian view labeled as a “racist” or “conspiracy theorist”? The Chinese Communist Party in collaboration with our Global Elite are attempting a world takeover, along with Big-Tech and the 6 billionaire media corporations controlling the narrative.

The ball is now in our court. Eighty percent of America is so dependent on mainstream media and political operative “fact checkers” that we have no idea we do not live in the real world. Is the idea of a Marxist takeover of the world so wild that we just can’t bring ourselves to believe it possible? It’s called a “Psyop”, that’s what they are counting on. The usual question: If this is true, why isn’t our military making arrests? Answer: Can we imagine what a corrupt news media would do with 80% of a sleeping population if the military took to the streets to overturn a “legitimate” election? Our cities would burn to the ground. When approximately 70% of the American people are awake, we will pry the Chinese Communist Party’s fingers off our nation. In the meantime, let’s read widely and think for ourselves. Welcome to World War III – Communist Insurgency.

Grace & Peace,

Chaplain Rob Sugg
