## **Dark Days**

April 1st, 2021

Saints & Sojourners,

As the world has seen, the United States has entered into darkness. Those that have believed the lie are now receiving the consequences of their votes. As our friends in higher places have repeatedly told us, "You can't tell them; you have to show them." The Leftists/Socialists now have their Dream Team in office and in control of all three branches of government. Our local police forces have been militarized to their defense or neutered through defunding. The DOJ, FBI and many three letter agencies (e.g., CIA & DHS) have been revealed to be completely corrupt at upper levels. Our borders are opened wide and the printing press is cranking out trillions and trillions of inflation-driving digits for the purpose of redirecting American funds to foreign and domestic oligarchs and collapsing our economy.

And let's not forget...is Biden really Biden? Do our own research: [www.duckduckgo.com](http://www.duckduckgo.com)

How many photos of Biden can we find *inside* the White House? How many different rooms *inside* the White House? How many photos of Biden *inside* Air Force One? *Inside* Marine One? Not everything is as it seems. Do our own research: [www.duckduckgo.com](http://www.duckduckgo.com).

Many of you have been following my daily posts for several years and it is time to raise the bar. Let's talk about **"The Sixteen Year Plan."** Several years ago our military intelligence declassified part of the Global Elite's plan for taking down the United States through sixteen years of an Obama-Hillary Uni-Presidency. Obama certainly did his half but the Trump win in 2016 tossed the proverbial monkey wrench into the Hillary half. The *Global* Elites were in a pickle as the Hillary piece was crafted to knock out the US Military. The US is intended for the ash heap.

In desperation, the 2020 Election was an in-your-face steal for Biden with the mainstream media cranking out thousands of articles stating how "clean" the elections were. Simply use your [www.duckduckgo.com](http://www.duckduckgo.com) search engine and type in the word "election" along with "conspiracy theory", "baseless", "debunked", "unfounded", "unproven", etc. What do you find? Bottom line, tens of millions of Americans watched the election stolen in real-time while most Americans were asleep staring at CNN, FOX, MSLSD, NY Times, Washington Post, Daily Beast, Politico and even the great sages Anderson Cooper, Rachel Maddow and Morning Joe. Americans have been lulled to sleep. We have gotten used to six billionaire corporations handing us the information [they] want us to have. The simple act of researching for oneself has become anathema. Those that do are shocked... and then labeled "crazy". For several years and by the grace of God, many of us struggled to help friends, family and acquaintances understand what was happening around us. Some were persuaded to do their own research and were "red pillled" awake. Most *were not willing*. For those who are still *willfully* asleep, who have not used their keyboards to do basic research and punch through the wall of mainstream media disinformation; they will simply have to painfully catch up... or not; their choice.

Joe Biden and Kamala Harris are now struggling to complete the second half of The Sixteen Year Plan. The take-down of our US Military is critical for the Global Elite to lock in their gains and complete their drive for a one-world Communist government. By the grace of God they will fail.

The good news: Our senior military are well aware of the corruption and the rigged election. Biden, Harris, Pelosi, Schumer, McConnell and the rest of the UniParty are now stuck with their charade presidency while the US Military holds them in place by the throat. The American people are *slowly* waking up and at some point will have had enough of the Leftist/Communist agenda. Only then will there be a critical mass of Americans to demand the US Military round up the clowns. If our military moves too soon then the mainstream media shills will scream "Coup!" and our nation will burn to the ground. This would be a win-win for the Communists. Prayer and Patience!

Grace & Peace,

Chaplain Rob Sugg
