Six billionaire corporations control 90% of all “news” outlets in the United States. What we know about our world (and politics) is decided by [them]. They lie!

Must we get our worldview from CNN, FOX, MSLSD, NPR, ABC, CBS, NBC, WaPo, NY Times, Politico, Daily Beast, Salon, Mediate, Talking Points, Associated Press, Reuters, BBC, etc.?

*Turn them OFF!*

Note: The networks promoted by Bing and Google News mislead or outright lie. I click links most days to see how we are being fooled by the corporate elite. If their lips are moving...

Note: Be careful of fraudulent sites: e.g., General Mike Flynn is often not General Mike Flynn.

## Pick Your Own Top 10

Independent news is not controlled by globalist billionaires. Each of the following publishers, editors and/or authors do their own research and stand on their own reputations. Just like our favorite movie critic, if they don't 'fit', we move on.

Note: In most cases we do not have to have an account to click on a link and read the post. Bookmark our favorite links in our NEWS Folders and return to them for the most recent posts.
