Four Years at War Part II

August 15th, 2021

In April I published an article that explains where we have come from, where we are, and where I believe we are going. This article is still relevant and a good foundation for moving forward:

A Word about Information

There have been many thousands of articles written explaining the various aspects of Deep State corruption but the corporate media will not let the “Normies” see them. Whenever real facts escape their grasp, the Marxist “Fact Checkers” and media shills baffle their readers with excrement. The White Hats knew this in advance and prepared a counter operation focused on the use of social media, and by coming to <https://truthforthesoul.com> (TFTS) we are seeing this operation in play.

For example, did we see the documents that the White Hats declassified on the FBI website suggesting the Clintons and Robert Mueller were involved in hiring the hitmen that murdered DNC staffer, Seth Rich? Now why isn't CNN, FOX, NPR and Geraldo all over this?

Crooked mueller says he would have done same thing.....hired a hit man

Understandably, everyone is able to proof-text anything; simply put in a search term and out pops headlines fitting our worldview. The corporate media work for *the same six billionaire corporations* that in turn work for the globalist Davos crowd. This includes the zillion so called “Fact Check” sites that anyone who is willing to sentence-diagram can drive a truck through.

<https://www.factcheck.org/2021/04/scicheck-idaho-doctor-makes-baseless-claims-ab->

A viral video features a doctor making dubious claims about COVID-19 **vaccines** and treatments at a forum hosted by Idaho's lieutenant governor. Dr. Ryan Cole claims mRNA **vaccines** cause cancer and ...

The Alt-Media websites may have a bush league appearance and advertisements for ‘blue pills’ but not everybody has billionaires underwriting them. I am including many links to articles. *They are not intended to prove anything but to provide readers with an entry point to do our own research.* It’s going to be a long, hard road and we are going to have to learn how to get real news in a more reliable way. The old trademarked corporate media is dead. Pick a handful of independent news outlets the way we pick movie critics. If they work for us then we keep them. If not, we move on. Trust yourself! TFTS is about to hit 80,000 check-ins since the end of January. We are the news now:

<https://truthforthesoul.com/daily-journal/>

Our current focus on the American war is:

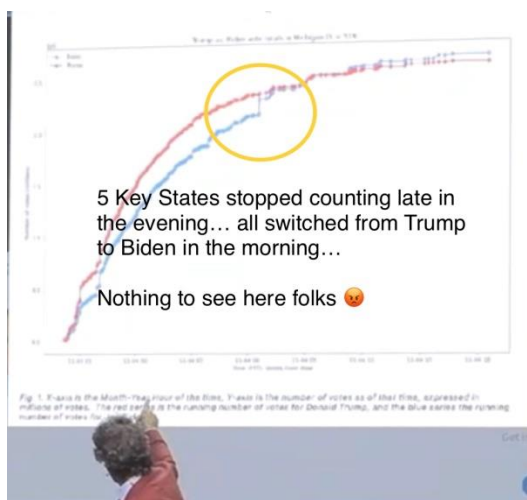

1. The Rigged 2020 Election
2. The January 6th “Insurrection” that Wasn’t
3. The COVID Scare Operation
4. The World-Wide “Vaccination” Scam
5. The Extraordinary Military Build-Up in the Pacific

Election Rigging

The Bad Guys have been rigging elections for decades. They rigged the 2020 election for Biden, and both Democrats and Republican RINOs are complicit. Where do I believe we are going? Think Nuremberg Trials. There are currently 277,000 sealed indictments; most waiting for coming military tribunals. Think “Enemy Combatants”.

1. Sealed Indictments: <https://bad-boys.us>
2. Military tribunals: https://www.youtube.com/watch?v=oOAKU_4iPYA

Our White Hats have been busy as well. We know that the NSA, and now Space Command, has been capturing every scrap of digital data coming from everywhere. We have also been told that “the FISA Court works both ways”. The White Hats have had the bad guys under their thumb since at least 2017. They have all the election rigging data from 2018 and 2020...all-of-it! Have we been watching the Maricopa County audit? How about the 3-Day Election Symposium? Did we know that 20 state delegations toured the Maricopa audit and all 50 states had representatives at the Symposium? No? If we watch the corporate mainstream news, we know nothing, or we are “Fact Checked” into disbelief. Let’s do our own homework please.

I see two nets closing; a Black Hat and a White Hat. I also believe that the Deep State net can only fully close state by state. The Blue/RINO states will probably get the worst of it and the Red states

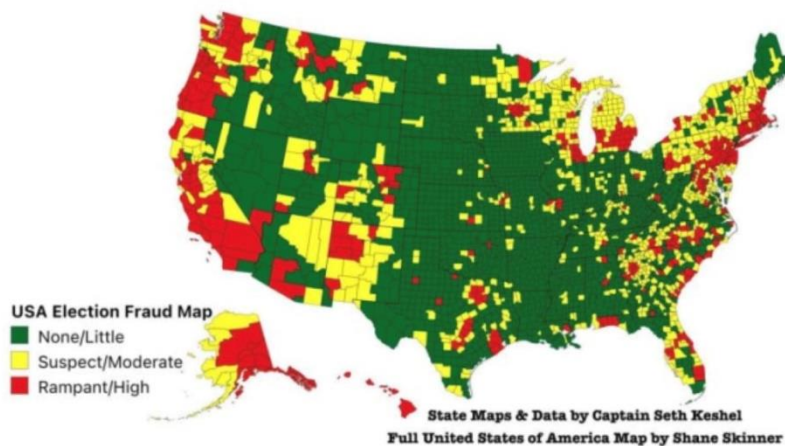

will remain open. If Americans lie down and accept it... oh well. If we exercise our God-given liberties as spelled out in the 1st Amendment...and get LOUD, then I expect to see intervention, restoration and restitution. Above all, we are going to need Leaders to stand up and LEAD. What is God calling each one of us to do? God will do mighty things with faithful people. In the meantime:

We have six primary states that were involved in the election rigging:

- https://www.americanthinker.com/blog/2020/11/suddenly_all_the_democratrunc_swing_states_need_to_stop_counting_ballots_for_awhile.html.

The entire nation is estimated to have thrown 80-100 million fraudulent votes for Biden:

- <https://www.christianitydaily.com/articles/12857/20210810/stunning-election-expert-finds-w-hopping-8-1-million-excess-biden-votes-during-2020-elections-says-it-s-proof-trump-won.htm>

There is no stopping the revelation. Arizona is ready to publish the results of their audit, Texas appears to be ready to announce their own audit, and the Colorado Secretary of State is in a public fight with an elected whistleblower. Let's get ready to rumble.

The January 6th “Insurrection” □

This one is so easy to debunk it is frustrating. There were two sets of protesters at the Capitol. The first and highly publicized set was a rowdy combination of ANTIFA, BLM and FBI-infiltrated and led “Patriot” groups. ANTIFA was specifically identified as the ones that broke windows and had

fistfights with the Capitol Police. A BLM videographer was in the lead group that entered the Capitol chambers. The second set of protesters included church groups and grandparents that were *invited* into the building by the Capitol Police and wandered around with their cell phones. Of note is both Nancy Pelosi and Mitch McConnell rejected calls for National Guard security at the Capitol Building: <https://www.thegatewaypundit.com/2021/02/pelosis-fault-speaker-pelosi-told-sgt-arms-deny-national-guard-capitol-due-optics-left-building-unprotected-must-resign/>

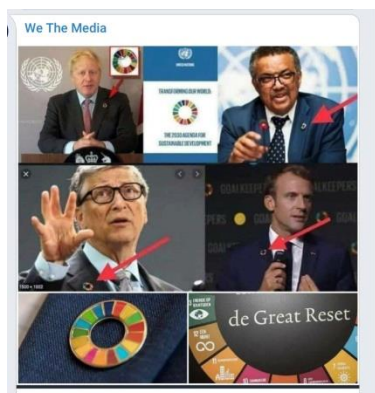

The Biden DOJ has since gone full-Stasi arresting everybody present, and at the direction of Nancy Pelosi the corporate media shills have broadcast “Insurrection” 24-7/365. We might find it interesting that the DC Police continue to keep these “Insurrectionists” in solitary confinement and even a delegation of the House of Representatives were refused access to see the facility. None of these *political prisoners* were armed. None of them have been charged with Insurrection, and the only person killed during the event was an unarmed peaceful protester named Ashli Babbitt; a 14 year veteran of the USAF. She was executed by Pelosi’s senior law enforcement officer.

See for ourselves: <https://truthforthesoul.com/wp-content/uploads/2021/01/Anatomy-of-a-False-Flag-1.pdf>

The COVID Scare

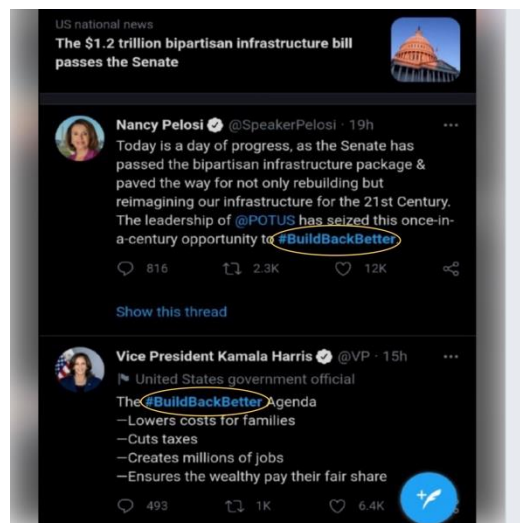

We are at war with the Global Elites and the Chinese Communist Party. *It is a war of Insurgency* and we are being taken down *from the inside* by our enemies. Our most deadly enemies are our elected Leftist/Marxist politicians, both Democrat and Republican. Their allegiance is to those that are executing “The Great Reset” under the label “Build Back Better”. They are one and the same.

- <https://time.com/collection/great-reset/>

The architects of the Great Reset & Build Back Better have encircled the entire free world in their net of Virus, disinformation and control. The globalist CDC changed the way COVID-19 is reported to greatly inflate the numbers of sick and dead:

<https://www.nbc4i.com/news/new-cdc-guidance-on-counting-covid-19-cases/>

The CDC and NIH also influenced hospital billing procedures to ensure the medical corporations were greatly rewarded for cheating: <https://www.bitchute.com/video/snvoNdcBzaAZ/>

CNN's Fareed Zakaria: We Have To Start Making Life "Very, Very Difficult" For The Unvaccinated

Posted By **Ian Schwartz**
On Date August 6, 2021

As a result, the free world has been *terrorized* into Lockdown and "Vaccination". The Guardian reported: that from 21 July anyone [in France] wanting to visit a theatre, cinema, sports venue or festival that had an audience of more than 50 people [apparently including church] would need to show a health pass proving they were either fully vaccinated or had tested negative. At this *exact same time* we saw similar statements from a number of other nations as well as intent statements

from Biden, Fauci, and projected by the corporate media; basically stating, "No Vaccine = No Life"... all for a virus with a 99.9% survival rate.

For our purposes here in America, Biden and Fauci know that there is no federal vehicle to mandate vaccines so we are seeing the push from our corrupt Federal agencies, governors and departments of health. The Blue/RINO states, cities and corporate media outlets are driving their adherents into the pens. The Red states, cities and Alt Media outlets aren't playing. The USA is split approximately 50/50. Bottom line: those that watch corporate media are terrorized

24-7 and *those that have turned off corporate media are living perfectly normal lives*. Are we anxious about COVID? Let's turn off our TVs and throw away our legacy newspapers. It's called a Psyop.

World-Wide Vaccination

Now here is the critical part. The release of the virus *was for the purpose of scaring the free world into voluntarily receiving the "Vaccine"*.

The Vaccine circulates spike proteins which are, and will be the source of many additional diseases:

Note: Critical 17 minute video.

The Vaccine is (was) being sold as complete protection against COVID-19. Not so:

- <https://www.nbcboston.com/news/coronavirus/100-fully-vaccinated-people-have-died-from-covid-in-mass/2463080/>

The Vaccine was sold as being tested and safe. Not so:

- <https://www.christianitydaily.com/articles/12678/20210723/cdc-caught-deleting-6-000-covid-vaccine-deaths-from-vaers-website-report-says.htm>,

The Vaccine is experimental and not FDA Approved, it is being used under an Emergency Authorization: Multiple corporate media outlets continue to use “FDA Approved” when referring to the vaccines and subsequent boosters. They know perfectly well that they are not.

Anytime Fauci, the CDC or the corporate media mention The Vaccine, they are lying. If their lips move, they are lying. There are a dozen ways that [they] have been fudging numbers. Do we know that the Biden Regime has been intentionally busing infected illegal immigrants into Florida and Texas while at the same time heckling their governors about COVID spikes?

Among other questionable compositions, the Vaccine appears to contain Graphene Oxide. Is this whistleblower correct? The "Fact Checkers" went crazy on this one. Let's decide for ourselves:

- <https://rumble.com/vkgdq7-deadly-shots-former-pfizer-employee-confirms-poison-in-covid-vaccine.html>

At this point in the continuing saga of COVID-19, almost everyone has chosen to receive the injection or to refuse it. Approximately 1/2 of Americans will not receive the Vaccine under any circumstances; this includes thousands and thousands of physicians and PhDs. I do not blame anyone for their decision. We have all made our choices, based on our own circumstances, and we will all live with the consequences.

I have chosen not to receive The Jab.

1. COVID-19 almost certainly originated in the CCP bio-weapons lab in Wuhan.
2. When released, the Chinese Communist Party blocked all internal flights. Why?
3. The World Health Organization (WHO) is a puppet of the CCP.
4. The world's Centers for Disease Control (CDC) are in lockstep with the WHO.
5. Several medical journals, including the prestigious Lancet were used to foist false information on busy physicians. The Lancet is also one of the journals to retract published articles. Many physicians were fooled by the Lancet article and are still unaware of the retraction:
 - <https://www.nbcnews.com/health/health-news/lancet-retracts-large-study-hydroxychloroquine-n1225091>,
 - <https://www.sciencemag.org/news/2021/01/many-scientists-citing-two-scandalous-covid-19-papers-ignore-their-retractions>

 - <https://www.globalresearch.ca/cover-up-fauci-approved-chloroquine-hydroxychloroquine-15-years-ago-cure-coronaviruses/5713659>
7. Upon release of COVID-19, the free-world's CDCs & the NIH strongly advised against the prescription of the antivirals Hydroxychloroquine and Ivermectin. For the first time ever, physicians were threatened with the loss of their medical licenses if they prescribed it. In spite of evidence to the contrary, mainstream media (MSM) concurrently ran interference, providing information blackouts and disinformation on these two medications. The MSM lied. The MSM lie. The MSM will continue to lie. The MSM are all owned by six billionaire corporations:

 - <https://www.factcheck.org/2021/07/scicheck-no-new-revelation-on-hydroxychloroquine-and-covid-19/> (and hundreds more).
8. The Vaccine is not a vaccine as we know it and it *is not FDA approved*
9. Is there Graphene Oxide in the concoction? Why?
10. What are the spike proteins doing as they circulate through the body for weeks?

11. As of July 30th, the Vaccine Adverse Event Reporting System (VAERS) reports 12,000 vaccine deaths and 46,000 vaccine hospitalizations:

- <https://www.openvaers.com/covid-data>

12. A whistleblower has reported that VAERS is only reporting 20% of vaccine deaths:

- <https://img1.wsimg.com/blobby/go/3c6a0774-cfad-46fa-aa97-af5aa5e74f00/Jane%20Doe%20Declaration.pdf>

For those who are being forced to receive the vaccine, I believe help is on the way, especially for our military. Hold the line. Take stress leave. Get an attorney. Wrap them up in constitutionally based paperwork. Never quit our jobs. Let [them] fire us. I believe there will be intervention, restoration and restitution. We are at war. It is a world war of Communist Insurgency for all the marbles.

Military Build-Up in the Pacific

Bottom line: The Communist Elites, the Chinese Communist Party, Iran and the Muslim Brotherhood are in a combatant face-off with the "Alliance" of international constitutionalists; I.e., those that believe in the rule of law. At this time, there is probably more floating and flying steel in the Pacific than any other time in the history of the world. Where is our corporate media? Oh yeah... COVID- COVID -COVID. Let's research for ourselves.

A note to my military associates

We have been infiltrated. We have senior officers, enlisted and a "Secretary of Defense" who are working for the global elite and the Chinese Communist Party. Wokism and Critical Race Theory have been intentionally and aggressively injected into our services, greatly disrupting everyone who bleeds GREEN. Senior leaders have 'come out of the Woke closet' giving topcover to the rank and file who wish to express their individuality. This is no accident. It is a weapon of war. In combat, can we now trust the person next to us to cover our @@@? Can we be sure the person next to us won't pull the plug on our communications system? We have all seen this criminal activity (or foolishness) from the "Secretary of Defense" and even the Chaplain Corps. Worse, the boards of directors for all of our military fraternal organizations are in lockstep with the takeover... *many through their silence.*

A note to my clergy associates

The world is now in the midst of the most ferocious spiritual war this planet has ever seen. The goats are now being separated from the sheep; the chaff threshed from the wheat. Those that have been brought up on Christianity with a Marxist twist are leading God's people off the rails. Scripture is most clear, Jesus came to offer righteousness by faith; one heart at a time. For those of my brothers and sisters that have bought into 'Jesus loves or hates Institutions' and 'all white people are racist', these concepts are nowhere to be found in Scripture and you are shredding the Body of Christ. *We shall have no other gods before Him.*

What's next?

Consider: In these past few days we have seen the Deep State pour gasoline on the COVID and Vaccine fires. The Biden Regime handed over our military hardware (intact) to the Taliban in Afghanistan, and the CCP and Russians are planning to make a pact with them. Our Marxist officials are now publicly insisting that the nation will implode without the Biden Regime doing something BIG. Note that the threat of a big Biden move comes exactly as the results of the 2020 Election Fraud is about to be released. *I'm guessing* that Biden may announce a major COVID Lockdown, followed by a shutdown of all social media, leaving only the corporate media screaming COVID 24-7. The Biden Regime has already discussed the prevention of interstate travel by the non-vaccinated. The Blue/RINO states may find themselves housebound and the Red states may find themselves in an embargo of food, fuel and medications, I.e., anything shipped interstate by aircraft, rail or truck. All of this will, of course, be due to the "selfishness" of the 100,000,000 unvaccinated Americans. TBD. Prepare accordingly.

Again, we are watching the most ferocious spiritual battle in history. God's people are awake or awakening. The wheat and the chaff; the sheep and the goats are now being separated. We live in Biblical times. Pray for our nation, Pray for the world. Pray for the Church.

May God grant each of us His grace, mercy, wisdom and peace. We are going to need these in abundance.

Grace & Peace,

Chaplain Rob, & Karen Sugg
