Subject: Ministry Report and Matters of Conscience

Brothers and Sisters,

For the year of 2001, I have ministered to our shut-ins by posting a full liturgical worship experience on Facebook using the Revised Common Lectionary until Facebook shut me down for truthful, but politically incorrect posts. I continue to provide pro bono pastoral counseling, marriage counseling, and funerals when requested.

For the past three years I have been researching and reporting on national and international government corruption. My publication, <https://truthforthesoul.com> (TFTS), has 400 daily readers and 1000 readers on the weekends. In the past year I have had 150,000 web page hits.

The following statements are true and well documented:

1. COVID 19 was enhanced for military purposes (i.e., Gain of Function) and released from a Chinese Communist Party (CCP) biological weapons laboratory in Wuhan, China. I tracked the release in real time *before* its arrival in the United States. The billionaire corporate media repeatedly lied and continues to lie about its origins, transmission and efficacy.
2. The World Health Organization is completely controlled by the CCP, as is our CDC, NIH and Dr. Fauci. The billionaire corporate media is lying in lockstep. Fauci and the current

Leftist administration has been using the virus, distancing and masking as a political tool to concentrate power and manipulate elections. There is not a single peer-reviewed study (of many) that demonstrates any significant *medical* advantage to “6 foot” distancing or public masking. However, as intended, these behaviors scare the pants off the general public. This includes the shut-down of our economy, *the shut-down of our churches and the isolation of our people.*

3. Distancing and masking were also designed to frighten the public into receiving a DNA altering “Vaccine” which appears to be the primary biological weapon of the two-part weapon system, with the virus being Part 1. The Pfizer vaccine is still under an Emergency Use Authorization (EUA) and our entire military was forced to take it against both federal law and the Nuremberg code. Everyone who has taken the Pfizer vaccine and the “booster shots” has taken an “*experimental*” vaccine which *has never been proven safe or effective.* Prove me wrong. The results are, and will be, horrific. *Most of our pastors and our Presbytery continue to demand “Masking” and/or “Full Vaccination” for participation in the Body of Christ.*
4. The same Communist influencers have directed both the Black Lives Matter *organization* and Antifa. Both organizations self-describe as Socialists and have been the foot soldiers of our CCP/Globalist aggressors. At this same time, there has been an aggressive push for the Socialist and anti-biblical movement known as Critical Race Theory, resulting in the division of society by race and class rather than uniting individual hearts under the Cross of Christ. In some churches this “Institutional” CRT has been incorporated in Bible Studies in place of, or in addition to faith in the Person and work of Christ.

Each minister and church in the PCUSA may be guided by “Conscience” but there comes a time when individual conscience does not allow Light to share space with Darkness. For some reason, our Presbytery of Florida will not allow ourselves to push past the echo chambers of the Leftist corporate media. We march in lock-step with the Leftist narrative while our personal freedoms are stolen by an unelected and corrupt medical dictatorship.

In closing, most of us will wake up soon and discover the horror we have willingly embraced. All of these assertions are readily vetted if we go around the corporate media and their so called “Fact Checkers.” Didn’t we learn to bypass opinions and examine original sources and original languages? I have attached relevant links for consideration. They are not necessarily proof but a beginning for inquiry. We will be tempted to Google this information and we will run into many corporate media and fact checking sites that call them “False.” Are we willing to push through to original sources?

I look forward to working with my Presbyterian brothers and sisters when we have addressed the spirit of fear and put away our masks.

Grace & Peace,

Chaplain Rob Sugg
