*Whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God. - John 3:21*

22 June 2024

Report to the Committee on Ministry  
Presbytery of Florida  
Presbyterian Church (USA)

Millions of Americans have been scheduled to die in the next seven months, including many reading these words today. In the next year, billions on our planet have been scheduled to die. Unthinkable? We will be our own judge.

We have now been in a full blown "5th Generation" war with the Chinese Communist Party [CCP] and the Global Elite [Elite] for eight years. 5th Generation Warfare means the use of all means necessary short of major combat. This requires the near complete control of international news and magazine media, medical treatment, pharmaceuticals, food, fuel, and voting systems. All have been effectively compromised. Through believers, bribes and blackmail the 3-Letter Agencies of all Western nations have been infiltrated and turned against their own people.

For those who know how and where to look we are watching murder by the millions. For those who continue to turn on their corporate news and read corporate magazines you see... nothing.

For those who do not know me, I am a Presbyterian Minister, a retired USAF Chaplain, and a masters level therapist. I am a published author in professional and peer-review journals. Since March of 2019 God has called Karen and me to serve within a coordinated military-civilian collaborative to research and publish Truth. I am not a prophet but an academic, and I now turn my evidence over to you.

For those with eyes to see, God is moving mightily and He is not happy.

**Joshua 9:1-26** "Joshua asked the Gibeonites, "Who are you and where do you come from?" [The Gibeonites lied]... We are your servants; make a treaty with us." The Israelites sampled their provisions *but did not inquire of the Lord.*" Then Joshua made a treaty of peace with them"... and regretted it.

**Ezekiel 33** "The word of the Lord came to me: "Son of man, speak to your people and say to them: 'When I bring the sword against a land, and the people of the land choose one of their men and make him their watchman, and he sees the sword coming against the land and blows the trumpet to warn the people, then if anyone hears the trumpet but does not heed the warning and the sword comes and takes their life, their blood will be on their own head.'"

The following document is 'the blast of a trumpet', "if anyone hears the trumpet but does not heed the warning and the sword comes and takes their life, their blood will be on their own head."

Pax/Shalom,

  
Chaplain Rob Sugg

## RULES OF THE GAME

I expect the reader to believe nothing I present. For many readers you do not know me, my history, or my ethics. What I do expect is that you believe yourself. The hardest part will be pushing through the military-level PSOP that leaves you *unwilling to use your own fingers on a keyboard*.

We have all gotten lazy. We have spent our entire lives being spoon-fed by Elites who have trained us to believe that Truth is what we watch on TV, especially if we watch *both CNN and FOX*. We have been trained to believe that the BBC and NPR would never lie to us. Our government “experts” tell us to put a rag on our face; we put a rag on our face. Government experts tell us to stand six feet apart; we stand six feet apart. Government experts tell us to inject ourselves with a questionable substance; we do. Our government tells us “Russia is bad”. We repeat the mantra. The Russian government sends their Special Operations troops over their Ukraine border to take out dozens of U.S. funded biological laboratories. We repeat in unison: “Russia is bad.” We put Ukraine flags on our social media accounts and we are proud.

As you do your own research pursue the concept of *Preponderance of Evidence* “which requires that evidence be sufficient to determine that a claim is more likely to be true than not.”

- Use your fingers on your own search engine. I use <https://duckduckgo.com>. All of the corporate search engines are corrupt but they are sufficient if you are tenacious.
- Do not be fooled by “Fact Checkers” with phrases like “Unfounded”, “Disinformation”, “Debunked”, “Conspiracy Theory”, etc. Push through until we find the *original sources*. Once you have original sources simply use a He Said-She Said paradigm. The lies are easy to spot. It’s all there for those who have the will to persevere.
- The following pages contain questions that demand answers. I’ve made it easy. Simply copy & paste the questions into your search engine and look for the original sources. Will you? If I give you an answer the responsibility is on me. If I ask you a question, the responsibility is on you.
- "Not many of you should become teachers, my fellow believers, because you know that we who teach will be judged more strictly." - James 3:1

Canada and our Northern states will not have another successful growing season in our lifetimes. Our Elite are well aware of Solar Minimums and have incorporated it into their plan for the elimination of “useless eaters”. In addition, Artificial Intelligence is expected to reduce employment by 85% over the next 10-20 years and the Elite are quickly moving to eradicate the planet population by the same percentage. I have now turned my evidence over to you. Citations would be useless for those too incredulous to do their own homework. I cannot tell you; I must show you. I have left you with well over a hundred questions that can be cut and pasted into your favorite but corrupt search engine; a little work and you will find the real answers. Consider researching your favorite question from each category. It may save your life, the lives of your family, and the lives of your community.

*Pastors and Community Leaders: You will be held to a higher standard.*
